**Attachments:** Suggested agenda item for 3/6 call - FW: CDPH-Comment Draft Work Plan Radiological Survey and Sampling Former Hunters Point Naval Shipyard; FW: We'd like to ask some clarification questions re workplan FW: HPNS Technical Team Biweekly Calls

If you are busy with other things, I don't know if you need to stay for all (or any) of this. Navy did not put much substantive on the agenda. So we have some technical questions in attached 2 emails.

I am working from home, so I booked a room, but I will not be there.
